PRO SE PRISONER CIVIL RIGHTS COMPLAINT

Initial Instructions

1. You must type or legibly handwrite the Complaint, and you must answer all questions concisely and in the proper space. Where more space is needed to answer any question, you may attach a separate sheet.
2. You must provide a full name for each defendant and describe where that defendant resides or can be located.
3. You must send the original complaint and one copy to the Clerk of the District Court.
4. You must pay an initial fee of \$400 (including a \$350 filing fee and a \$50 administrative fee). The complaint will not be considered filed until the Clerk receives the \$400 fee or you are granted permission to proceed *in forma pauperis*.
5. If you cannot prepay the \$400 fee, you may request permission to proceed *in forma pauperis* in accordance with the procedures set forth in the Court's form application to proceed *in forma pauperis*. See 28 U.S.C. § 1915; Local Civil Rule 3.3.

- If the court grants your request, the \$50 administrative fee will not be assessed and your total filing fee will be \$350.
- You will be required to make an initial partial payment, which the court will calculate, and then prison officials will deduct the remaining balance from your prison accounts over time.
- These deductions will be made until the entire \$350 filing fee is paid, **regardless of how the court decides your case.**

7. The Court will review your complaint before deciding whether to authorize service of process on the defendants. *See* 28 U.S.C. §§ 1915(e)(2), 1915A; 42 U.S.C. § 1997e(c)(1). If the Court grants such permission, the Clerk will send you the necessary instructions and forms.

8. If you have been granted permission to proceed *in forma pauperis*, the United States Marshals Service will be authorized to serve the defendants based on information you provide. If you have not been granted permission to proceed *in forma pauperis*, you will be responsible for service of a separate summons and copy of the complaint on each defendant in accordance with Rule 4 of the Federal Rules of Civil Procedure.

V. Cause of Action

Instructions

1. *Provide a short and plain statement of each claim.*

- Describe the facts that are the basis for your claim.
- You can generally only sue defendants who were directly involved in harming you. Describe how each defendant violated your rights, giving dates and places.
- Explain how you were hurt and the extent of your injuries.

2. *You are not required to cite case law.*

- Describe the constitutional or statutory rights you believe the defendant(s) violated.
- At this stage in the proceedings, you do not need to cite or discuss any case law.

3. *You are not required to attach exhibits.*

- If you do attach exhibits, you should refer to the exhibits in the statement of your claim and explain why you included them.

4. *Be aware of the requirement that you exhaust prison grievance procedures **before** filing your lawsuit.*

- If the evidence shows that you did not fully comply with an available prison grievance process prior to filing this lawsuit, the court may dismiss the unexhausted claim(s) or grant judgment against you. See 42 U.S.C. § 1997e(a).
- Every claim you raise must be exhausted in the appropriate manner.

5. *Be aware of any statute of limitations.*

- If you are suing about events that happened in the past, your case may be subject to dismissal under the statute of limitations. For example, for many civil rights claims, an action must be brought within two years from the date when the plaintiff knew or had reason to know of the injury that is the basis for the claim.

Claim One: Deliberate Indifference

Defendants: Turn-Key Health, ~~Turn-Key Health~~, Nurse Kasey-LNU
Javier Martinez,

Supporting Facts: On approx. 12 MAY 2021 I broke my right forefinger knuckle and digit. On approx 16 MAY 2021 I verbally reported this to Nurse Missy and we arranged to have my injury treated via sick call procedures. It took 7 days to be taken to the Nurse Office in which Nurse Kasey-LNU and a FNU-LNU (fellow Turn-Key worker) gave me Naproxen and ordered X-Rays. On approx 26 MAY 2021 my hand was X-Rayed. On 27 MAY 2021 Nurse Kasey-LNU told me my hand was broken and they would get me an outpatient appointment to fix. She passed me on to Nurse Missy. On approx 05 JUN 2021 Nurse Missy notified me I would have to pay \$101.00 to Outpatient Clinic prior to any care. Between 05 JUN 2021 and 15 JUL 2021 I waited for the appointment while trying to get \$101.00 from my family. After receiving this Civil Rights packet in the mail, the fee of \$101.00 magically reduced to zero and on 23 JUL 2021 I was transported to the Clinic. The Doctor had me X-Rayed again and he said it was broken off the knuckle and splintered 3-times. He said it was "too far gone and arthritis was setting in" and he recommended letting it finish fusing and then working it out.

As a result of the deliberate indifference of Javier in ignoring my grievance, and Nurse Kasey-LNU failing to take appropriately timely medical action, I suffered for over 60 days with severe pain in my hand and the delay resulted in an imperfect healing with arthritis and deformity which will cause future impairment. Relief Requested: Nurse Kasey-LNU: \$ 150,000.00 Javier Martinez: \$ 500,000.00; Turn-Key Health: \$ 1 million.

Additional Note: Stephens County Jail Staff and Turn-Key Health have a custom of helping inmates they like and ignoring the sufferings of inmates they don't like. They don't like me. They only acted when I wrote U.S. Court.

6. *Do not include claims relating to your criminal conviction or to prison disciplinary proceedings that resulted in loss of good time credits.*

- If a ruling in your favor “would necessarily imply the invalidity” of a criminal conviction or prison disciplinary punishment affecting the time served, then you cannot make these claims in a civil rights complaint unless you have already had the conviction or prison disciplinary proceeding invalidated, for example through a habeas proceeding.
